

Broad Ings & Potters Hole Stakeholder Consultation Event

Thursday 8th February 2018, 2-6pm

Broad Ings Wood and nearby Potter Holes Plantation are lovely woods within easy walking distance of Tankersley and Pilley.

The Dearne Valley Landscape Partnership (DVLP) is working with Barnsley Council and other partners to plan the future management of the wood for wildlife & the local community.

We are seeking your views about what type of events you would be interested in & how the wood should be managed to make sure that it stays special & continues to be valued as a community asset into the future.

There will be a FREE short guided walk around Broad Ings, led by Mick O’Roarke to look at the work his youth group has carried out on site. All welcome, refreshments will be provided, please join us at:

Tankersley Welfare Hall, Pilley Lane, Tankersley, S75 3AP

Can’t make it? Then please email your views & thoughts to
Gordon.haycock@haycockandjay.co.uk

Enjoy your Woods in 2018!
