The transfer of the sponsored hanging baskets to TCA and not making the annual Bonfire and fireworks event a charging event means the predicted income for 2023/24 in the Budget will be lower than when the Budget was adopted in January 2023.

To consider how to make up the shortfall

(Appendix E)

13. Recruiting a New Clerk

13.1 To consider the former Clerk's offer to stay on as RFO only, until 30 June 2023, in order for the Parish Council to comply with its statutory requirements and complete and submit the 2022-23

AGAR in the required timeframes, so avoiding fines. This would have implications for the 2023/24 Budget

- 13.2** To resolve to establish a staffing committee consisting of three councillors to recruit the new Clerk and to authorise any required future actions
- 13.3** To resolve to delegate all powers to the Staffing Committee required to recruit the new Clerk and to authorise any required future actions
- 14. Changing the Bank Mandate**
- 14.1** To resolve which councillors should be added to the Bank Mandate as signatories
- 14.2** To resolve which address should be used as the address for the Parish Council's Bank Account
- 15. Insurance Review**
To confirm approval of the arrangements for insurance cover in respect of all insured risks for 2023/24 [\(Appendix F\)](#)
- 16. To consider and note the Parish Council's Annual Payments and Subscriptions:**
- Salaries
 - Yorkshire Local Councils Association
 - Edge IT for Finance Package
 - Information Commissioner
 - Website hosting and e-mail Provision
- 17 To consider and agree a timetable for reviewing and re-adopting the following Parish Council Policies for 2022/23** [\(Appendix G\)](#)
- 18. Membership of Outside Bodies**
To consider and approve nominations for Parish Council Representatives on the YLCA and such other bodies as the Parish Council considers appropriate
- 19. The Parish Council Website and Domain**
- 19.1** Work is required on the Parish Council website to clearly categorise the financial documents relating to AGAR 2022-23. In addition, One.com who currently host the platform are now sending multiple emails regarding the site's vulnerability. To carry out the work required to the site and basic plug ins would cost £60.00.
- 19.2** The web developer had looked at the issues One.com are raising and identified that One.com are trying to sell a premium plug in at a cost of \$59 per annum. This would not be needed if the Parish Council moved to a .gov.uk domain and/or changed platform provider.
- 19.3** To consider applying for a .gov.uk domain for the Parish Council website and for councillor emails. By minute 19.4 of the November 2022 Tankersley Parish Council resolved to move to a .gov.uk domain for the Parish Council website and for Councillor emails in May 2023. Apart from the government's push for all tiers of local government to do this it was hoped that by moving to the more secure .gov.uk domain there would be fewer problems with the Parish Council emails. However, to obtain the tankersleypc.gov.uk domain an application has to be made to the government for the domain. This currently costs £100 to obtain the domain and £50 in subsequent years.

SOCIAL AND COMMUNITY INFRASTRUCTURE

21. **Kes Bench**
To note the Parish Council had agreed in Summer 2022 to purchase a new bench to celebrate the filming of Kes by Ken Loach around Tankersley Old Hall. Due to increased audit expenses caused by an individual raising ineligible and frivolous objections with the external auditor this project had to be deferred until the 2023-24 Budget. Provision was made in the 2023-24 Budget for the bench and an application for grant funding has been submitted to the Ward Alliance.
