Tankersley Parish Council

General Data Protections Regulations Policy

Tankersley Parish Council adopted the following policy with effect from 21st August 2023.

1. Purpose of the Policy and Background to the General Data Protection Regulation

1.1 Tankersley Parish Council recognises its responsibility to comply with the Data Protection Act 1998 and the General Data Protection Regulation.

The General Data Protection Regulation (GDPR) came into force on the 25th May 2018 this Act supersedes the Data Protection Act 1998.

The Act applies to 'personal data' which is data relating to a living person who can be identified from that data.

'Processing data' means any operation performed on that personal data such as collection, recording or use.

The Parish Council holds this data and processes it in order to perform its role.

This policy explains GDPR to Councillors, staff and members of the public.

1.2 When dealing with personal data, Tankersley Parish Council staff and Councillors must ensure that:

1.2.1 **DATA IS PROCESSED FAIRLY AND LAWFULLY**

Staff, Councillors and Volunteers will be open and honest about why information is required.

1.2.2 **DATA IS PROCESSED FOR SPECIFIED PURPOSES ONLY**

1.2.3 **DATA IS RELEVANT TO WHAT IT IS NEEDED FOR**

Data will be monitored so that too much or too little is not kept; only data that is needed will be held

1.2.4 **DATA IS ACCURATE AND KEPT UP TO DATE**

Only accurate personal data will be kept. Inaccurate data will be corrected.

1.2.5 **DATA IS NOT KEPT LONGER THAN IT IS NEEDED**

1.2.6 **IT IS PROCESSED IN ACCORDANCE WITH THE RIGHTS OF INDIVIDUALS -**

Individuals will be informed, upon request, of all the information held about them

1.2.7 **IT IS KEPT SECURELY –**

Only staff will be able to access the data. Data will be stored securely so it cannot be accessed by members of the public.

2. Information Audit

- 2.1 The type of information the Council holds tends to be limited to name, address, telephone number and email address. More detailed information is held for employees.
- 2.2 The purposes for which personal data may be used – personnel, administrative, financial, statutory and legislative purposes, payroll, consultation and business development purposes.
- 2.3 In the normal course of business, the Parish Council will receive personal data in connection with the following council activities
- 2.3.1 Administration of Parish Council meetings
 - 2.3.2 Administration of employment matters
 - 2.3.3 Administration of the allotments
 - 2.3.4 Managing Councillor membership
 - 2.3.5 Receiving and dealing with correspondence
 - 2.3.6 Contractual matters
 - 2.3.7 Receiving and processing grant applications
 - 2.3.8 Creating Volunteer lists for specific activities
- 2.4 The Parish Council is sent a copy of the electoral roll with updates through the year. Data Protection associated with the electoral roll is predominately the responsibility of Barnsley Metropolitan Borough Council to manage. The Parish Council holds a copy but does not permit any third party to view the document.
- 2.5 *Services Relating to Children* –
There is special protection for the personal data of a child. The age when a child can give their own consent is 13. If the Parish Council requires consent from young people under 13, the Parish Council will obtain a parent or guardian's consent in order to process the personal data lawfully.
- Consent forms for children age 13 plus, will be written in language that they will understand. At present, the Parish Council does not have any services that directly relate to children.

3. Sensitive Data

- 3.1 The Act requires 'sensitive data' to be treated differently.
- Categories of sensitive data includes racial or ethnic origins, political opinions, religious beliefs, health issues.
- The Parish Council does not collect such data.
- 3.2 Where the Parish Council carries out future village - wide surveys, the responses should be anonymous and questions are not generally asked on a topic that is classified as sensitive.

4. Storage of Data

- 4.1 All current Parish Council paper documents are stored at the Clerk's address and kept secure. Archived Parish Council Papers are stored in a locked container or in the case of historic documents are lodged at Barnsley archives.
- 4.2 All computer records are stored on password protected computers with anti-virus software and are not available for Councillors or members of the public to access.
- 4.3 Once data is not needed anymore, if it is out of date or has served its purpose and falls outside the minimum retention time of the council's retention policy, it will be shredded or deleted from the computer.

5. How the Data is Used

Data will be used only for the purpose for which it has been supplied. Data will not be passed to a third party without the express consent of the data subject.

The Parish Council will not share or sell data.

6. Subject Access Requests

A request for a copy of information held by the Parish Council can be made in writing to the Clerk acting as Data Protection Officer (DPO) and a response shall be made within one month as prescribed in the General Data Protection Regulations.

The information requested will be provided within clear time scales and if appropriate the Clerk on behalf of the Parish Council will investigate if it is possible to refine the data requested

7. Data Eradication Request

- 7.1 Individuals have a right to have their personal data erased (sometimes known as the 'right to be forgotten') where their personal data is no longer necessary in relation to the purpose for which it was originally collected and data portability must be done free of charge.

Data portability refers to the ability to move, copy or transfer data easily between different computers.

- 7.2 If a request is received to delete information, then the Parish Council's Clerk acting as Data Protection Officer will respond to this request within one month. The Data Protection Officer has the delegated authority from the Parish Council to delete information.

- 7.3 If a request is considered to be manifestly unfounded then it may be refused, or a charge may apply.

The charge will be as detailed in the Parish Council's Model Publication Scheme. The Parish Council will be informed of such requests.

8. Data Breaches

- 8.1 If a data breach is identified the Information Commissioner's Office (ICO) will be informed and an investigation will be conducted by the Data Protection Officer

- 8.2 Personal data breaches that are identified by the Parish Council or referred to it will be reported to the Data Protection Officer for investigation.

The Data Protection Officer will conduct an investigation with the support of the Parish Council. Investigations will be undertaken within one month of the report of a breach.

- 8.3 Procedures will be put in place by the Data Protection Officer to detect, report and investigate a personal data breach.

The ICO will be advised of a breach (within 3 days) where it is likely to result in a risk to the rights and freedoms of individuals – if, for example, it could result in discrimination, damage to reputation, financial loss, loss of confidentiality, or any other significant economic or social disadvantage.

Where a breach is likely to result in a high risk to the rights and freedoms of individuals, the DPO will also notify those concerned directly.

- 8.4 All data breaches will be recorded in the Parish Council's Data Security Incident Log.

9. Confidentiality

When complaints or queries are made, they must remain confidential unless the subject gives permission otherwise.

When handling personal data, this must also remain confidential.

10. Privacy Notices

- 10.1 Being transparent and providing accessible information to individuals about how the Parish Council uses personal data is a key element of the Data Protection Act 1998 (DPA) and the EU General Data Protection Regulation (GDPR).

The most common way to provide this information is in a privacy notice which will inform individuals about what the Parish Council does with their personal information. The Parish Council has adopted this approach.

- 10.2 A privacy notice will also contain the name and contact details of the Parish Council and its Data Protection Officer, the purpose for which the information is to be used and the length of time for its use.

It will be written clearly and will advise the individual that they can, at any time, withdraw their agreement for the use of this information.

Issuing of a privacy notice will be detailed on the Information Audit kept by the Council.

11. Policy Adoption and Review

This policy document is written with current information and advice. It will be reviewed at least annually or when further advice is issued by the Information Commissioners Office.

All Councillors, employees and volunteers are expected to comply with this policy at all times to protect privacy, confidentiality and the interests of the Parish Council.

The Clerk has overall responsibility for the day to day implementation of this policy.
